

A photograph of two women in a lush green field, likely a vegetable garden or farm. They are both smiling and holding bunches of freshly harvested green beans. The woman in the foreground is using scissors to trim the beans. The background is filled with rows of similar green plants.

Programs Overview 2022

Caritas Indonesia - KARINA KWI

Executive Summary

During the period October 2021 – September 2022, Caritas Indonesia together with related commissions in the Bishops' Conference of Indonesia (KWI) and dioceses have carried out various programs, including: Emergency Response, Disaster Risk Reduction, Empowerment and Diocesan Assistance to a special response to the impact of the Covid-19 Pandemic.

The Mandate

The programs mentioned above are concrete manifestations of Caritas Indonesia's mandate as mandated by the KWI. Through these programs, Caritas Indonesia, in collaboration with related commissions at KWI and dioceses, is here to embody the concrete concerns of the Indonesian Catholic Church for the difficult living conditions of the Small, Weak, Poor, Marginalized and Disabled communities.

The Indonesian Catholic Church, through Caritas Indonesia in synodality with related Commissions in KWI and dioceses, continues to make efforts to present the gentle caress of Mother Church's love for those who really need help and assistance in their lives.
